P. O. Box 34

Orangeville, Illinois

To Collectors—This sale contains many numismatic items not generally offered. You will find many fine United States coins, tokens, commemorative half dollars, ancient coins, all the quarters in the '40's, postage stamps, paper money, bird points, early half eagles, 1887 \$5 gold (87 coined), rare foreign coins, counterstamped money, foreign gold, choice foreign silver of dollar size including some rare Chinese, fine denarii, rare War of 1812 medals, many dollars before 1804, and others too numerous to mention.

Keep on my mailing list by sending bids, or if you find nothing to bid on, request next list simply by a postal card. You will find a great variety of numismatic material in this sale, some choice and rare items, and will be well paid for giving the contents of this sales list your careful perusal.

The usual charge of 5% will be made for executing your bids, and for packing and sending out material. No charge made on anything not actually purchased. This fee is very low for the superior service I expect to give you.

Collectors of experience find that not all dealers classify coins alike.

My classifications and descriptions are based on knowledge gained through 15 years of earnest dealing in coins. I have endeavored to refrain from over-rating the quality of a lot, which is so common. I believe that the word "RARE" should not be over-worked.

Please remember my strong guarantee. If goods are not satisfactory (you are to be the judge), you are at liberty to return them without any danger of offending.

New bidders should send references or a deposit of at least 25 per cent of bids.

Coins will be bought as much below your bids as possible, as this is competitive bidding carried out in good faith.

If you do not know how much to bid on any item, write me and I shall be glad to inform you as to its value.

Receipted bills are not sent out after your remittance as this is unnecessary. Your check, draft, or money order itself is a receipt and we ask you to pay only once. However, if a 2-cent stamp is enclosed we will send receipt.

Some new unsolicited testimonials recently received:

"I am well pleased with the coins you secured for me." From Kansas.

"I have dealt with you for a long time and have found you a square shooter." Florida.

"I received check for proceeds from the sale. The result is entirely satisfactory to me and more than I expected." New York.

Let me sell your collection or duplicates in these sales. Quick returns and satisfactory results are realized. My sales are held regularly each month. Write for terms.

Please bid by the piece unless stated to bid for the lot.
